THE POINTS OF THE STARS

In ancient Greek and Roman times, stars were believed to be divine. They were worshipped and identified with the gods of antiquity. For the Regis College graduates of 1997, we see stars very differently. For each of us, a star exemplifies our past, present, and future.

The five points of a star hallmark crucial times in each of our lives. The first point of the star is representative of our first year at Regis College. We were scared and unsure.

The second point of the star symbolizes our sophomore year. We were now expected to be assimilated into the Regis Community. We were no longer just beginning this adventure, but more importantly, establishing our own distinct avenues.

Morrison House

THE POINTS OF THE STARS

The third point of the star signifies our junior year. This was our first step over the threshold as upperclass women. It was at this point that our relationships evolved from classmates to friendships.

The fourth point of the star is the last point to be completed at Regis College upon commencement. Representative of our senior year, this point is indicative of all of the laughter, tears, friendships, and experiences that we have endured during these four precious years.

Only one point remains to be completed. This point symbolizes our future that awaits us. It represents many different things for each of us. Our education at Regis has empowered us with the determination, self confidence, and compassion necessary to reach for that star and embrace a future full of happiness, success, and prosperity.

Sister SHEILA

Dear Members of the Class of 1997, You are a special class, made up of individual women who have grown and changed over your years at Regis College. You came to a place where everyone came to know your name, to know you as a unique person, and to recognize the individual talents you brought to Regis College. I know that Regis College is better because you were here. Our prayer for you is that you know you have become a better person because you have been at Regis College. You are forever ours, one of our own, you bear our name as a Regis College alumnae. We hope you will always carry in your hearts a loving care and concern for one another as you move through the days of your lives. May you be blessed with a strength of soul, compassion of the heart, peace of mind, a sense of well being, and a passion and love of learning all the days of your life. Know you are forever in the memories of our hearts. Do recall in the moments of joy and sorrow which will unfold in your life, you are forever a part of our lives.

Thank you for all you have contributed to Regis College.

As freshman, we came into Regis hoping that the next four years would be the best ones. At summer orientation we met new people and had our first official Regis experience as the class of 1997. We all shared the excitment of our first move-in day when we were 18 and on our own. During this year we became familiar with the campus and the daily routine of a Regis woman. Throughout this year we experienced everything for the first time and by the end we were experts who could have composed a novel. Can you remember going to dinner and sitting with each and every one of your friends? Tables that were made for 6, easily fit 16. We eventually learned that it was okay to do things on our own. That is how we became independent and the reason why we are able to interact outside of Regis. As for friendships, many were made, some ended, while others remained and will be ever present for a life time. Some of the faces may have changed from our freshman class picture but the foundation established by the learning experiences of freshman year carried us through Regis and will remain forever.

Sophomores

The annual Sophomore Dinner with Sr. Sheila at Morrison House.

The class of '97 returned from our first summer break cheerful of the fact that we made it through our first full year of college. We were no longer the first years...we made it to the sophomore slump. As sophomores we were invited to Morrison House to dine with Sr. Sheila and to find out just how big that place really is. After enjoying our first Christmas banquet, we were unaware at how tough and fun serving at our second would be. Not only did we work at the banquet, but we were called upon to carry the Daisy Chain at Graduation as well, as we said goodbye to our senior friends--the class of '95. Although our second year at Regis proved itself to be difficult, as a unified team we came out on top.

Juniors

Junior year many students take the opportunity to study abroad. Here, friends say goodbye at the airport or hello in Washington D.C.

As Junior year arrived we had successfully completed half of our academic career at Regis. We were no longer viewed as underclassmen. We utilized the confidence and encouragement that the Regis community enstilled in us to face new challenges. We had many memories to look back upon and bright ideas for the future. However, our Regis experience was far from over. In September we met our little sisters in the class of '99. Many of us received our class rings which hallmarked our committment to Regis our academic careers, and our friendships. Junior year allowed for some the opportunity to venture beyond Regis to pursue academic enlightenment at institutions abroad. Many of us embraced the experience of an internship and other career related endeavors for the first time. As junior year concluded, we all smiled with relief, hugged with excitement, and promised to do it all again next year... for the *last* time.

In Memory
Kristen E. Olson
1975-1994

Goodbye. What does that really mean? Does it mean see you later, or does it mean never again? Today I had to say goodbye to my nana, because she passed away on Saturday, but to me it was not never see you again, but see you later. I believe that she is in a better place now, in heaven, and that one day when I pass on as well, that I will be able to hold her agin and say "I love you." I really don't think that goodbye ever really means goodbye because most people don't want it to be that way. So, I think that to be correct, from now on I will try to just say "see you later" instead of goodbye.

This was written by Kristen in her year at Regis. It describes the type of person Kristen was. She always acknowledged her emotions but looked for the positive in every situation. Kristen was bright; not only intelligent but in personality as well. She loved her family, her friends, learning, and music. These were the things that were important to her. Kristen, you are always thought of and missed. We'll see you later.

MOTHER-DAUGHTER

On October 27th 1996, the students at Regis College celebrated the significant women in their lives at the Mother-Daughter Brunch. The annual brunch was held at the Marriott Hotel in Newton. This year, the brunch contained a new component; the senior class officers added a slide show. The slide show included pictures of students with their families and friends. Dawn Fazzino felt that, "the slide show added wonderful meaning to the brunch. It showed the strong bonds between the students and the special women in their lives." Arpie Nigoghosian added, "it was touching to see the generations of women come together to share their special memories." This year's Mother-Daughter Brunch was an inspiring and trend-setting day.

Patricia Fein: This was the best Mother-Daughter yet. This year it was my mother, myself, and my daughter.

Lori DiPietro: This was by far the best Mother-Daughter. Not only did I share it with my mother, my friends and their mothers; but my grandmother was also able to attend.

Jen Brown: I thought the slide show was a nice touch. It was wonderful to see all these women and how they have grown together.

CHRISTMAS BANQUET

Christmas at Regis is often said to be one of the nicest times of the year. It is a time to celebrate with the members of the Regis family. As we look back on our senior year and our final banquet we can remember the stocking that held our shot glass because we all turned 21. We can also focus on the note that held our wish for all of us to find a job in the near future. The Christmas season also gave us the opportunity to reflect on the gifts we have been blessed with due to Regis. It was a time to celebrate the ending of the semester as well as a time to share our feelings with friends. While sitting there it was easy to fade back to the time when we served the dinner, while it was also possible for us to anticipate the candle lighting ceremony that as seniors we would be participants.

FATHER-DAUGHTER

The annual Father-Daughter Dance was held April 5, 1997. The dance was a very special evening because it gave us the opportunity to spend time with the sigificant men in our lives. This years dance was held at the Fine Arts Center for the first time, and included a touching champagne toast by Lucy Colombo. "Father - Daughter is always so nice. It is a time when we see our dads in a different way," commented Michelle Fortier. Darcey Bortz added, "Father-Daughter was wonderful, even though it was different than the past dances. My friends and our dads had a really great time." Undoubtedly, the Regis tradition will bring the students and their fathers closer, and allow all of us to be "Daddy's little girl" just one more time.

Hoop Rolling

On Sunday, September 29, 1996, seniors rolled their uniquely decorated hoops across the athletic facility floor just as the class of 1932 did. Some of us kicked off our shoes, some did not, but all of us wore smiles. We decorated our hoops to display our lives at Regis College. We depicted and described in pictures and sayings what our four years had been like together as a class, as friends, and as women of tomorrow. Hoop rolling is just one of many great traditions that bind Regis women.

Cap and Gown

Sunday, September 29, 1996 was a very momentous day as we, the Class of 1997, unified to embark on our first step towards the future. As we gathered together with our families and friends in the Fine Arts Center, the traditional Cap and Gown Ceremony took place. We learned the significance of the Academic Garb and we celebrated the outstanding service of three women in our senior class.

The next path that will be taken on our journey through life is slowly filling our hearts and minds with feelings of happiness, excitement and anticipation. A patchwork quilt was an image that Dami Shepard, Senior Class President, equated with her journey through life. She shared this image with us, encouraging and motivating us to strive to be our best. Dami explained to us that we are "bound together by the memories of the past and present, we are the ones in control of the patches of the future."

SPORTS

Cross Country

The 1996 Regis College Cross Country team experienced their best season yet! Their large number of runners contributed depth to the team which helped to spark their winning season. Led by senior captain Jeanne Boudreau and sophomore captain Katie Harrington, the team proved itself worthy of several titles: first place at the Roger Williams University Invitational, third place at the Gordon College Invitational and placed 25th overall at Division 3 Regionals. The team overcame many injuries to shine at the Regis College Invitational where they took first place and captured the C.C.C. Title.

The team was able to enjoy many accomplishments but it was a special season because this was Coach Carla Morilla Kehoe's last. She will be greatly missed along with seniors Jeanne Boudreau, Lucy Colombo, Deanna Pedulla, and Eleni Stathoulis. Congratulations and Good Luck to all!

Field Hockey

In 1996, the Regis College Field Hockey team had their best season ever. The team compiled a record of 10 wins and 8 losses. This was the best record the field hockey team has achieved in its four years as a varsity sport. The team was headed by first year coach Sherry Sebesta from Wellesley College and assistant coach Roni Froio from UMass Dartmouth. The team was led by senior captain Sam Dutily and junior captains Jill Fiore and Kristen Lehmann. Also contributing to the Beacons' success were sophomores Heather Danielson, Janet Raymond, Shilpa Patel, Katie Amaral, Alexa Pozniak, and Tracey Aziz; and freshmen Brandy Poquette, Lisa Jancaitis, and Mollie Cronin. The Regis team had an outstanding year, making it to the Commonwealth Coast Conference Tournament and the M.A.I.A.W. State Tournament. The highlight of the season was winning the Hoctoberfest Field Hockey Invitational Tournament hosted by Endicott College. The team played 3 games in 2 days and defeated New England College 2-1 in double overtime in the finals for the championship. Making the All-Tournament team were H. Danielson, J. Fiore and K. Lehmann; the Most Valuable Player of the tournament was senior Sam Dutily. Congratulations and good luck to the Beacons next year!!

Soccer

The 1996 Soccer Team consisted of six freshmen, six sophomores and one senior. The team was led by senior captain Ann Letteri and sophomore captains Courtney Gagnon and Daisy Harder. Members of the team included sophomores: Kate Crowley, O'Mayra Del Valle, Melissa Roache, and Carmen Lauria. Freshman players were Nicole Foisset, Kimberly Ryder, Anne Trudo, Katie Towle, Sarah Dacey, and Mirna Gereige. This was a year for rebuilding. The team's record with one win does not show how hard and determined each individual was. It can only get better from here. With perseverance the soccer team will continue to improve in the future.

Tennis

Although the Regis College Tennis Team faced a challenging season this year, they topped it off with a record standing in the conference. Senior captains Caitlyn Mosher and Swati Patel led the team to a final record of 8-7. Coach Arlene Deardorff brought the team to a record breaking third place in the Commonwealth Coast Conference. The season highlight was sophomore Nora Connolly's sweep of the entire conference. She placed first overall in singles. The season brought new blood to the team and next season promises to be even stronger. Good Luck to Caitlyn and Swati.

Volleyball

The 1996 Regis Volleyball team enjoyed another successful season under Head Coach Chris Corbett. A young but motivated team, led by senior captains Lynne Erickson and Sue Lynch, worked well together to post a winning record of 17-13, placing third in the C.C.C. Highlights included wins against Assumption and Rivier as well as a team scavenger hunt and trip to "Chuck E. Cheese." The team finished off the season by hosting the M.A.I.A.W. Tournament and placing second after an exciting five-game final match. Senior Lynne Erickson was named to the Roger Williams Invitational All-Tournament Team, the C.C.C. All-Tournament Team and the N.E.W.V.A. Senior Classic Tournament. Junior Erin Sweeney and freshman Andrea "Fran" Holden were named to the M.A.I.A.W. All-Tournament Team. The team was ranked nationally in service aces as freshman Amanda Bowers led the way with an individual ranking in the same category. Also contributing to this season were sophomores Sherrill Erickson and Erin Howe along with freshmen Kelly Doyle, Lisa Sizer, and Kelly Murphy. Sue and Lynne want to thank everyone for all their hard work, dedication and commitment: "You don't realize how important it is until your senior year!" Basketball

The 1996-1997 Regis Basketball team had a successful season this year. Behind the leadership of senior captains Sam Dutily and Lynne Erickson the team came together to end up first in the Commonwealth Coast Conference. The team made a run for the championship behind the strong play of Dutily, Erickson, Courtney Gagnon, Lyn DiFlumeri, Daisy Harder and Julie Wrobel. Other key contributors were sophomores Sherrill Erickson, Janet Raymond and freshmen Amanda Bowers, Megan Hotchkiss, Nikki Foisette, Crystal Papanickolas and Jen Thompson. Unfortunately Regis lost in the semifinals of the C.C.C. Championship to Anna Maria. Due to their successful season, however, Regis qualified for the ECAC tournament where they eventually lost to Bowdoin. High points of the season included beating top teams Emmanuel and Plymouth State. Also, both seniors Dutily and Erickson broke the 1,000 pt. mark. Good luck to seniors Sam Dutily and Lynne Erickson.

Indoor Track

The 1996-97 Indoor Track Team, along with Coach Karen Kirkpatrick, overcame many obstacles to enjoy a successful season. With much determination, junior captain Mariah Donovan and senior captain Sue Lynch brought the team together. Despite many injuries and illnesses, everyone fought to reach their personal as well as team goals. The team had four Division III qualifiers: seniors Lucy Colombo and Deanna Pedulla, sophomore April Laverriere, and freshman Colleen Boddy. Laverriere and Boddy also ran their way to the ECAC Championships. Also contributing to the season were seniors Jeanne Boudreau and Eleni Stathoulis, juniors Danielle Smith and Kim Chula, sophomore Katie Harrington, and freshmen Teky Felix, Thalia Fuentes, Wilnie Welsh, and Jen Perry. Swimming and Diving

The Regis Swimming and Diving Team, led by captains Kriste Kleiner, Julianne Sullivan, and Christa Gillis and coaches Ray Harrington, Meg Carey-Lelko, and Marie Jardine, led a team consisting of only seven swimmers and three divers to a victorious season. Although the team was small in number, it was not small in spirit and dedication. Four of the seven swimmers, Kriste, Christa, Tracy Forestall, and Trisha Hanley, qualified for the New England Championships which were held at Bowdoin College. The long weekend was very successful. Kriste received the senior award by accumulating the most points over her four years of swimming at the New England Championships. She also won two first places in the 100 yard 1M and 50 yard backstroke. Christa, Tracy, and Trisha did very well achieving some of their best times. Softball

The 1997 Regis Softball team continued their winning ways this season. After a successful trip to Ft. Myers, Florida, the team compiled a regular season record of 18-3 under the coaching of Joanne Ruane and Jeanne Smith. Senior Captains Sam Dutily and Sue Lynch led Regis to a 9-1 conference record, capturing first place in the C.C.C. Highlights of the season included wins over Curry and Nichols. Also, Sophomore Cindy Sheehan pitched a perfect game against New England College — no hits, no walks, and no runs! Key contributors to the season were: Seniors Ann Letteri and Kelley Dionne; Juniors Jill Fiore and Melissa Farrow; Sophomores Cristen Coleman, Tracey Aziz, Christa Gillis, and Erin Howe; and Freshmen Jill Gendron, Katie Murphy, Trisha Nicolazzo, Andrea Holden, and Kelly Doyle. Despite losing in the finals, Regis swept the player categories of the Commonwealth Coast Conference. Dutily was named C.C.C. Player of the Year and Gendron was named C.C.C. Rookie of the Year. Letteri received the C.C.C., MAIAW, ECAC, and NEISCA Senior Scholar Athlete Awards. It was a memorable last season for Seniors Ann, Kelley, Sam and Sue, you will be missed!

CONGRATULATIONS!

CHRISTINA MARIE

WE ARE VERY PROUD OF YOU.

LOVE ALWAYS,
MOM, DAD, AND
RICHARD

To My Dearest Dami,

You light up my life each and every time because every time I see you I think..."This is the best time!" I'm proud of all your achievements and I know you've worked hard for them. I'm proud of your views and your intelligence, but I am most proud of your just being you. ***Success would be extra-but you are - Special to me whatever you do.*** Thank you for having me in your life for the last four years; just when I thought my mothering days would be over you made every new experience that we shared like a new beginning for me.

Congratulations and I love you,
Mom

Congratulations JoEllen,

We all love you and
are very proud of you.
We wish you much happiness
and success in whatever
you choose to do.

May God Bless you always!

Love,
Dad and Mom

The Start of the Journey

About 22 years ago, our lives would change forever. Until then, everything was pretty predictable...career, school, home, cars. We were told we would become parents in the late summer. Well, what would this baby look like? What traits would it have? What should we get to prepare? Of course the child would have the best of everything!

To help in our study of genetic coloring and coding, we consulted the Ouija board. It told us we were going to have a blue-eyed redhead on August 5, 1975. Such trivial fun! Well, Natalie, you were born on August 7...but labor did begin on August 5. And weren't you a bundle of red hair with giant blue eyes! At first we thought it was a mistake, but you looked so much like both of us, we knew it wasn't. When we were home, at night, we would both go in your room and just look at you... a wondrous gift God had bestowed on us. We would ponder such divine workings and wonder how we were given such a treasure.

Then it began...a journey we didn't realize we would enjoy so much with every day that passed. How you knew when Nana died...that she was 'with the angels and wasn't in pain anymore'. How your little hands that sought out ours just to feel connected, would nurture our spirits. When we played 'tunnel' or 'flying baby', a squeal or a giggle made our lives so enriched at small pleasures. Remember playing with your eggmobile and baths with 'happy apple'? And French braids in kindergarten your teacher loved...and your Barbie dolls and houses that had to be arranged correctly and in order before you would go to sleep? Some patterns in life start early!

We shared all of your joys and successes...and knew from the start you were a unique person. Your kindergarten teacher told us you were her most intelligent student...always reasoning at an early age and asking questions no one else even thought of. Cute as a button and frisky as a kitten, you were always on the prowl for fun...again patterns start early. You were always the chosen...whether it was figure skating or class office...you had an ability to walk with ease among people. You have never slighted anyone and you have been revered by many as a solid and sincere friend, staunch in her beliefs and loyal always.

You have been through difficult times and we have watched you face adversity with strength beyond your years. You speak unkindly to no one, and we burst with pride for your sense of integrity and truth. You have been given the gift of wisdom and the skill of the written word...so deeply ingrained in your Irish heritage. Your smile is a gift from your ancestors and you wear it with pride. Your determined mind and your pursuance of the right, is a trait rarely found in the troubled times of our world.

In closing, we want you to know we could never have asked for anything more than who you are. You are special and wonderful, and we are proud of your accomplishments. We want you to be happy in your life as you step into your journey. Now our journey slows and yours begins. Our work is nearly complete...do us proud Natalie, in your life, and always stay true to your own heart. Freedom in your soul will steer you in the course of life.

May God be kind, and bless you with a child such was given to us on our journey. Whenever you hear music, sit by a river at sunset, or read a bedtime story to your children, enjoy the time that goes by ever so quick. For your journey has only started...Keep in your heart our love for you. We will always be with you, in life or in spirit. Stay wonderful.

Elyce Michelle Grimes

There have been many roads in your life which you could have choseen, you chose to create and chisel your own path. I have always said to you in no uncertain terms that you are the master of your destiny. You can be and do anything that you choose. Your imagination is your limit.

Many times, we are held back by a sense that we are simply not good enough, talented enough or smart enough to do what we want to do. Pray to God to free you from the internal chains that bind. "It is not we alone who do the work. The work is done by Him who is within us."

Love, Mom

Great job Elyce!
Congratulations

Your brother, Elwyn

Long ago your persistence and warm personality propelled you through competitive rivulets and streams that led you to an oasis called Regis.

At Regis you fabricated a life craft, empowered it with your own energy, and adorned it with a multicolored sail reinforced with mind and fragments from those who stimulated you.

And when torrential rains filled the oceans, you survived rugged waters, intermittent reverse tidal waves, and achieved the safety of familiar shores.

For this feat , you should be proud. We are proud of you and encourage you to contemplate safe passage on all future voyages that you choose.

With love and admiration,
DAD

Dear Heather

Congratulations! You have become a beautiful woman in every way. You are an endless source of pride and love to all who know you. God has truly blessed me a trillion times, having you for my daughter. Although your Dad is with our Lord, I know he would be bursting with love and pride also. I pray that your life is full of happiness and fulfillment.

All my love, always,
Mom

" It's a girl!"

What glorious music to our ears.
So dainty and so beautiful and so many loving hearts to care for you.
More happy days to follow, especially that day when you arrived home
from the open house at Regis, and said: "I'm going to Regis!"
It certainly was a terrific decision and has given you,
as well as us, an enormous amount of happiness.
You have done an outstanding job and made us very proud of you.
Much happiness and success in the future.
God bless you and guide you in the coming years.

All our love,

Best Kid of Them All

"Dear First Born: 'Jennifer'"

"We've always loved you best because you were our first miracle. You were the genesis of a marriage and the fulfillment of young love".

"You sustained us through the hamburger years, the first apartment (furnished Early Poverty), our first mode of transportation (68 Camaro) and the 7-inch black and white TV we paid on for 36 months".

"You were new and had unused grandparents and enough clothes for a set of triplets. You were the original model for a mom and a dad who were trying to work the bugs out. You got the strained lamb, the open safety pins and three-hour naps".

"You were the beginning".

Congratulations
